A word from Dr. Maddox!

Virtual School Tour

Background History of Edgewood

- Reopened in West Covina in 2010
 - Currently is combined with Edgewood Middle School
 - EHS hosted one graduation on the track in 2014
 - Before EHS reopened, it was under Covina Union High School District
 - Previous School Colors : Green & Yellow
 - Previous Mascot : Trojans
-

Moving on with the tour....

Here is our lion mural gifted by the Class of 2014 located near the high school entrance and quad!

Home to the Spanish department, Spanish classes will be located here, along with the anatomy classes!

This is the high school quad where students get to eat lunch at!

Home to the science department, students may go here for their science classes!

Most high school fundraisers will be in this area, along with one out of the five nutrition services!

Breakfast
and Lunch
served here!

Here is our senior savannah, where seniors get to hang out and eat at their own corner of the school!

These pillars at Senior Savannah are repainted each year to match the incoming senior class!

This year's seniors were part of class of 2020, which is why the pillars are showcasing the 20! When class of 2024 become seniors, their class color is also orange and the pillars will say 24!

Here is a wider view of Senior Savannah!

Here is the P building! English, math, and history are held here!

Here is the O Building! Most freshmen will be going to the first set of doors for history!
Also in the very back is our softball field and tennis courts!

Here is the corner of the F building and one of the three women's restroom!

Here are one of the five vending machines
Edgewood has to offer!

If you ever need a drink or snack,
these vending machines can tend
to your cravings!

This is the F building,
where the Mandarin
classes, ASB room, and
dance room are located!
Many school spirit
activities will take place in
this area!

Here is the Media Center! This is where students will check out all their textbooks, books, and possibly electronics required throughout the school year! Our high school librarian, Mr. Burrows, will always be happy to assist you, if needed!

Here is the stage and part of the quad! This quad is located on the middle school side of our campus! On the stage, seen in the middle of the photo, carries out most of the special performances and shows hosted throughout the year, such as Cinco De Mayo by the Spanish department!

Here are a few more of our vending machines! On the right is one of the places you can receive your meals!

Here is our brand new Event Center, which will serve as the main entrance! Inside will be the office and CTE classrooms geared for Video Game Design, Video Production, and Dance Performance!

This is a closer view at our Event Center. In the middle, you can see our school mascot, Eddie the Lion!

This is our track! If you are taking P.E, you will run your weekly miles here!
Although we have a football field, we do not offer football as a sport.

Here is our gym! Many activities such as our basketball and volleyball games, school dances, and rallies will take place here! Occasionally, PE will have their indoor sports!

Our long awaited new Olympic Sized Pool is finally complete! If you plan on joining Water Polo or Swim, look forward to swimming in this new pool!

Last but not least, the Tennis courts! This is home to our Boys' and Girls' Tennis team! Currently, our Girls' Tennis team has two league champion titles and the Boys' Tennis team has one!
