

## Peer Tutoring Permission Slip

The peer tutoring program is a voluntary after-school tutoring session during which your student can receive help and guidance with academic subjects, homework, and study/review from a peer (EHS junior or senior) who has strong skills in the subject he or she is tutoring. Tutoring sessions are held from 3:05pm-4pm every Tuesday and Thursday. Both in-person and virtual tutoring will be available. In-person tutoring will take place in room O6. Virtual tutoring will occur over Google Meet. Students who wish to attend tutoring virtually will need to join Google Classroom with the code **o4b6ylz**. Both in-person and virtual tutoring sessions are always supervised by a teacher. Signing this permission slip once will grant permission for your student to attend any tutoring session during the 2021-2022 school year. If you have any questions or concerns please email Katie Burnett at [kburnett@wcusd.org](mailto:kburnett@wcusd.org).

### What Is After-School Peer Tutoring?

#### Tutoring is...

- A place to get extra help with homework
- A privilege
- Voluntary
- A “drop-in” environment where students can stay for ten minutes or one hour depending on how much help they need
- A place where many materials are often available to use for homework
- A place for students who want to learn

#### Tutoring is not...

- After school care
- A punishment
- Required
- A place where students are required to arrive at 3:05pm or stay until 4pm
- A computer lab, a place for printing, or a place to check out books
- A place to “hang out” with friends

**I grant permission for my student to attend peer tutoring during the 2021-2022 school year. I also understand that my student will be expected to sign in and out and follow behavior expectations while attending tutoring; my student may be asked to sign out and leave if he or she does not follow expectations.**
